## **PACKING INSTRUCTIONS**

We are not planning on checking any luggage. Everything you bring needs to fit in a carry on suitcase and backpack. Don't forget your choir tour cinch bag and shirt from your chaperone. If you have something that must be in a checked bag instead of in your carry on luggage, please contact Scott Smith as soon as possible at 801-376-4627.

Carry on items are limited to one bag plus one smaller, personal-type item. Southwest Airlines limits carry on bag dimensions to 10 x 16 x 24 inches. Personal-type items include purses, briefcases, cameras, food containers, or laptops (case included). Your personal item must be stored under the seat in front of you and not exceed 18.5 x 8.5 x 13.5 inches.

## **AIRPORT INSTRUCTIONS**

1. Do not forget your government-issued photo ID. This means a driver's license or passport.
  - a. If you are 17 or younger, your MVHS school ID will work.
2. Do not bring liquids except as explained in the Liquids section below.
3. Don't be late for boarding the school buses at the back of MVHS (northwest corner).
4. When we arrive at the airport, chaperones will hand you two boarding passes.
  - a. Put the one for your second flight in a safe place in your bags.
  - b. Carry the one from SLC to your first destination in your hand to the security checkpoint.
5. When you arrive at the security checkpoint:
  - a. You will need to show your photo ID and your SLC boarding pass.
  - b. You will need to remove your shoes and everything from your pockets.
  - c. All of your luggage and belongings will need to go through the x-ray machine.
  - d. Any liquids will need to be removed from your bags (see Liquids section below).
  - e. Any devices bigger than a cell phone will need to be removed from your bags.
    - i. These need to go through the x-ray machine separately, not in your bag.
  - f. While your bags are x-rayed, you will walk through a body scanner.
  - g. Do not make any jokes during security. Make no comments related to terrorism.
    - i. If you do, you may be detained and miss the flight.
6. After security, make sure that everyone in your chaperone group made it through, and then walk to the assigned gate where you will wait to board the plane.
7. If you need to purchase something or use the restroom, do it right after security.
8. Be ready for the flight boarding time with your boarding pass in hand.
  - a. Your boarding pass will tell you where to line up - look for boarding group and position.
  - b. On Southwest Airlines, there are no assigned seats. Get on and find an empty seat.
9. In your layover city, get off the plane and walk with your group to the gate for the next flight.
10. If you need to purchase something or use the restroom, do it right after you get off the plane.
11. Be ready for the 2nd flight boarding time. Use the boarding pass to Nashville.
12. As always, follow instructions and be respectful.

## **LIQUIDS**

Each passenger is permitted to bring one quart-size bag of liquids, aerosols, gels, creams, and pastes in your carry on bag and through the security checkpoint. Each item in the quart-size bag is limited to 3.4 ounces or less. During security screening, you'll be required to send these items in the quart-size bag through the x-ray machine separate from your carry on suitcase or backpack.
