Rules:

Groups of 5 (or more) at all times.

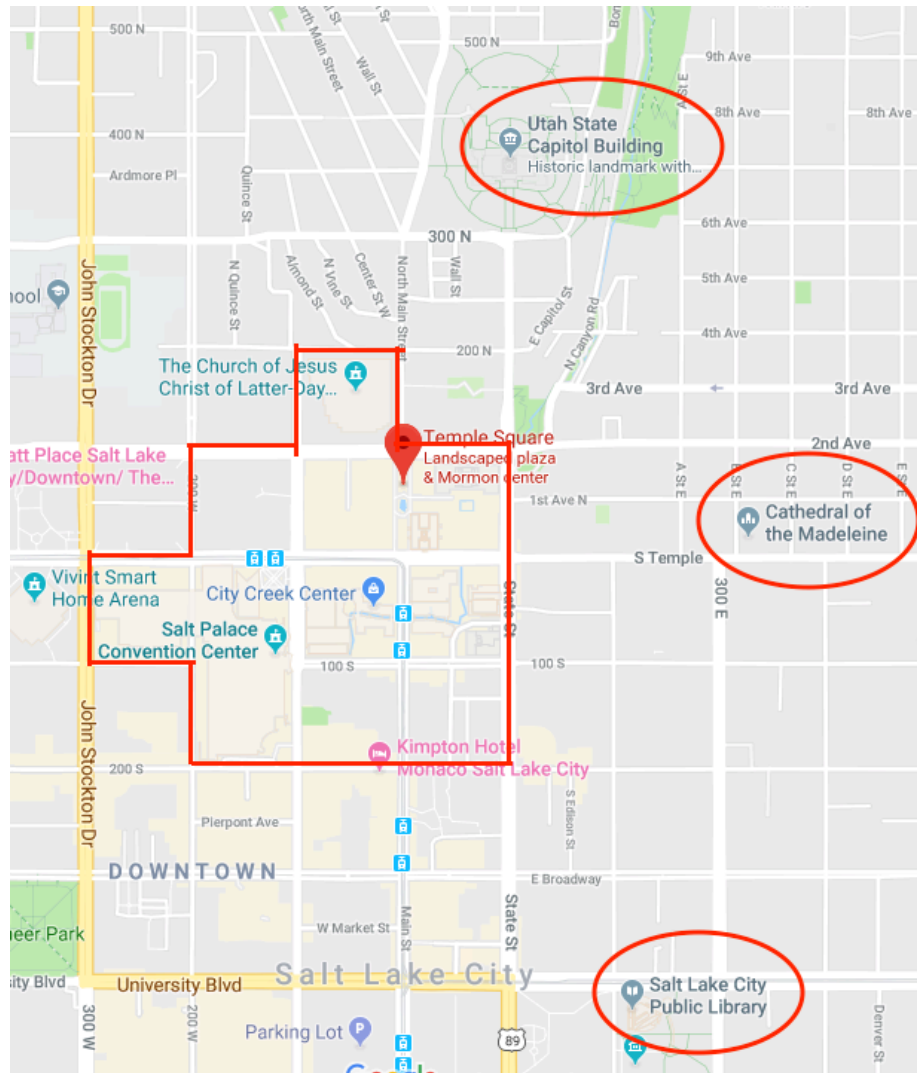

You must be present and punctual at each performance. Keep an eye on the time.

No PDA. Ever. Anywhere.

Stay within boundaries (physically, morally, etc.)

On the bus: no public music, no blanket sharing, segregated seating at nighttime, chaperone sits in the back. You must ride the same bus to and from Temple Square.

Please stay within the boundaries marked in red. You may choose to travel to either of the three locations circled. Please follow the most direct route there and back and be wise.

Here is a close-up of Temple Square. The three performance spaces are circled in red, as is the City Creek Mall food court. The blue oval indicates where the bus will drop us off and pick us up.
